## **COLLECTION & RECONNECT FEES**

The Stanton County Public Power District Board of Directors has set the following fees for collection of past due bills:

### **Collection fee -- \$30.00**

This fee will be assessed if a bill is unpaid on the 25<sup>th</sup> of the month and a collection letter is mailed to the consumer on the 26<sup>th</sup> of the month!

### **Reconnect Fee during regular working hours -- \$75.00**

#### **Regular working hours for linemen**

**7:00 a.m. to 3:30 p.m. (Memorial Day thru Labor Day)**

**8:00 a.m. to 4:30 p.m. (Winter months)**

In order for a service to be reconnected on regular time working hours, we must have payment in our office by 1:00 p.m. in order to allow time for a crew to reconnect the service and return to the SCPPD office by the regular quitting time.)

### **Reconnect fee during overtime hours -- \$120.00**

This fee will apply anytime a service is reconnected outside of the normal working hours.

### **Disconnect trip -- \$50.00**

If a crew is sent out to disconnect a service and for any reason the service is not disconnected there will be a service fee of \$50.00 for the trip.

Example: A service crew is sent out to disconnect a service for nonpayment of electric bill and upon arriving at the location the customer either pays the past due bill to the crew or calls the office to make arrangements for payment with the office personnel. Due to the fact that in either case our crew has had to make this trip to collect the unpaid bill a service charge of \$50.00 will apply.

**PLEASE READ the attached letter thoroughly. It is very important that you make arrangements at the office of the Stanton County Public Power District for payment of your past due electrical bill. Arrangements must be made prior to the disconnect date or the above charges will apply.**

**DON'T WAIT- CALL OUR OFFICE AT 402-439-2228 OR 1-877-439-2228 to make arrangements for payment of your past due bill.**
